TESOL Certificate Course Prague, Czech Republic

Situated on the banks of the scenic Vltava River, Prague is considered “the Paris of Eastern Europe.” With a low cost of living without sacrificing the romantic atmosphere of a classic European city, Prague is a fantastic place to study and live. It is a cultural Mecca for the Bohemian region with architecture spanning from Baroque to Neo-Classical, film and music festivals, fashion shows and theater. With a rich intellectual history, the city is home to the oldest university in Central and Eastern Europe, founded in 1348. Don’t forget to kick back and relax while watching an ice hockey match at one of the many pubs in town or spicing things up on the dance floor at a hip club.
